<p>Dear Aunt Mary,</p> <p>I am currently visiting the Artstonia Building in Overland Park, Kansas. Did you know that it was created to celebrate all the artists and art teachers in the city. An architect named Bella Landry built it in 2002. It is a very modern building with aluminium roofing</p>	<div style="border: 1px solid black; width: 50px; height: 40px; margin: 0 auto;"></div> <p>work. I think it is one of the most exciting pieces of architecture.</p>

<p>Wish you were here, Brandy Landry</p>
